The Nupouch Anti-theft Mini Backpack is super cute and has a convertible strap so it can be worn as a backpack or a crossbody bag. Want something larger? The Anti-theft Classic Backpack has all the same features of the Mini Backpack but with more room for your belongings. It even holds an iPad and is padded! Want a more urban, modern look? The Metro Anti-theft Commuter Backpack has plenty of room and keeps up with all the latest style trends. All three of these backpacks feature our highly popular USB charging port. Rounding out our new bags are the Nupouch Multi-pocket Crossbody Belt Bag, with plenty of space for your essentials, and the Nupouch Mesh Tote which is great for a day at the beach, shopping, or anywhere you need a big, roomy bag. All of these new offerings are available in multiple colors.

The continued strength of the Nupouch Anti-theft Daypack shows that this design is one for the ages. The Milan vegan leather series have been incredibly popular and we are adding 3 more colors. Additionally, we are adding 6 new prints which are perfect for spring. These new vegan leather colors and new prints are also available for the Nupouch Anti-theft 3 Zipper Crossbody and the Nupouch Anti-theft Belt Bag.

To keep all of our product lines fresh there are also two new Futsole designs and 3 gorgeous new Topsy Turvy umbrella designs. You can still find Nufoot footwear, Nupouch Waterproof Bags and all the other items your customers love. As always, we are highly thankful and appreciative of all your support over the years and we remain committed to making great products that will continue to fly off the shelves.
