Love you can feel.®

In 2024, some things will never change; with every year and catalog, we feel excited to share our new designs, best sellers, award winners, and customer favorites. It is the time to share our 2024 Baby catalog with you.

Mary Meyer has come a long way from selling pincushions to becoming the creators and makers of the highest quality and ever-so-loved baby products.

Our design team works tirelessly to create that perfect teddy bear or that oh-so-huggable bunny, creating the softest, most loveable, and truly unique characters and toys. We continue Mary’s and our mission to bring joy to children and families with care, quality, and love. We like to think of it as “Love you can feel.”

We know you will be delighted to flip the pages and see what we have created for you this year.

Wishing everyone success in 2024!

ROCKY CHICKEN - 43042

Why we love Leika:

- Cuddle book is sophisticated and quiet; includes the woodland characters.
- Coordinating wood toys in familiar forest characters.
- Soft toys made of soft velour fabric
- Innovative teether, boxed for gifting
- Matching board books bring characters to life.

Leika (pronounced “like uh”) means “Play” in parts of Scandinavia.

We bring that Scandinavian aesthetic of simple sophistication and folk-art inspiration to each of our line’s three woodland animals: Fox, Fawn, and Bunny.

Each of these characters is featured as a soothing teether, a board book of adventures, a huggable lovey, and character soft toy.

Leika wooden toys, and characters all coordinate with each other and invite more imagination, and interactions.

**LEIKA FRIENDS CUDDLEBOOK\***

This soft activity book features Leika characters, soft velour fabric, and lots of room for imagination. The unique design allows for all kinds of play and interaction.

## The little creation that started it all.

TAGGIES was created when two Moms noticed their babies loved to rub the one tag on their blanket. They were crafters and created the original TAGGIES blanket with lots of sewn in looped ribbons. They took them to a few local independent specialty retail stores and it became a reality. Within a couple of years, retailers across the country were stocking the original TAGGIES in a variety of prints. Mary Meyer has brought back the original creation in updated fabrics and patterns.

### Why we love:

- It is the original!
- 2 NEW designs.
- Jersey knit printed front and velour solid contrasting color back.
- FRESH Mary Meyer exclusive prints and softer fabric.
- FREE countertop display option makes a statement.
- J hook for easy display.
