36 min	\$7.00

Replacement PM2.5 Carbon Inserts: \$1.50/ea

When it comes to non-medical masks, these are the top of the line. Dual layer of cotton and polyester with a pocket to add the included PM2.5 carbon filter. Additionally, the adjustable elastic ear loops allow for the perfect fit and comfort for a tight seal.

Be Strong

Be Comfortable

Be You

Included in each retail package:

- x1 High Quality, comfort fit, adjustable band, dual layer (1 cotton, 1 polyester), pocketed mask
- x2 PM2.5 Five-Layer Filters
- x2 Adjustable Band Rings
- x1 Retail in Bag with Display Card

Machine or Hand Washable: Some fading may occur based on detergents and overly hot water temperatures.

Install Adjustable Band Ring: Use paperclip or similar to push strap through rubber band.

This mask is not medical grade, but is recommended by the CDC as they "advise the use of simple cloth face coverings to slow the spread of the virus and help people who may have the virus and do not know it from transmitting it to others." Fabric sewn in China. Pressed in the USA.
