Warmies® was founded on a very simple premise, that everyone must experience comfort in their everyday life. Inspiring well-being is at the heart of what we do. Being mindful of wellness leads to better living.

Our products provide soothing warmth and aromatic comfort for all ages, are safe for all ages and are loved by all ages. Warmies® are fully microwavable, incredibly comfy, and feel amazing. Warmies® provide stress and anxiety relief, promote restful sleep, and are perfectly weighted to provide a calming and positive sensory experience.

Part of our secret... French Lavender

For centuries, lavender has been synonymous with tranquility, relaxation, serenity, soothing and calm. Warmies® contain just the right amount of real dried French Lavender, sourced from local growers in Provence, France and all-natural grain filling to provide the perfect weight and sensory experience.

Everybody Loves Warmies®

For over 25 years we have been true to this belief and feel blessed for the millions of people we have touched. From our company's inception, selling a fully microwavable, French lavender and organic filled heat pack, to today, with hundreds of fully heatable stuffed animals and wellness gifts, Warmies® sets the standard for comfort and wellness. It's no secret that Warmies® are loved around the world. We invite you to experience the comfort of Warmies® and become part of our big, comfy family !
